

Attention Family Musical Mornings Patrons

Our next Family Musical Mornings Concert, *Pictures at an Exhibition*, on **February 3** will feature a special pre-concert activity in the Musical Carnival. We will make puppets your children will then use during the concert!

You are invited to be an “early bird” and come to the Musical Carnival before your performance so you have enough time to make the puppets with your children. We recommend you arrive at the concert hall thirty minutes to one hour before your concert start time to ensure plenty of creative time for the activity.

The Musical Carnival for **10am patrons** will open as usual one hour before the concert at **9am**.

The Musical Carnival for **11:30am patrons** will be open early, before the concert at **10:30am**.
