Journey to Candy Land

The upcoming Family Musical Mornings Concert, *Nutcracker for Kids*, features dancers from Festival Ballet Theater. They will perform the very best parts of the Nutcracker ballet for you. There will be dancing dolls, a battle between an army of mice and the Nutcracker, and of course, a visit to Candy Land! In Candy Land, Clara and the Nutcracker get to watch dances by candy canes, chocolates, and even Chinese tea! It is a magical place where dreams come true.

Did you know the Nutcracker was a story before it became a ballet? You will be able to read the story in your program book at the concert. You will also be able to meet the dancers in the lobby during the Musical Carnival!

Everyone loves the finale of this concert. We will all sing some of your favorite holiday songs and receive a visit from Jolly Old St. Nick! We can't wait to see you at the *Nutcracker for Kids* concert!
