

arts-X-press 2021

Daily Schedule

Session 1: July 11 – 16

Session 2: July 18 – 23

For the 2021 arts-X-press program, we will spend the week on-campus at Concordia University Irvine. Guest artists and performers will join us on Concordia’s campus for special workshops and performances, tailored especially for the arts-X-press community. Throughout the course of the week, our senior staff and counselors will guide students through a variety of arts workshops and group activities designed to encourage collaboration, creative expression and community building.

Students will arrive on Sunday evening before dinner and depart the following Friday before lunch. The arts-X-press experience will culminate in Final Sharing, a special presentation that showcases what students have accomplished during their time at arts-X-press.

The arts-X-press schedule varies by day and is jam packed full of exploration, group activities and, of course, the arts.

Here’s what you can expect on a typical arts-X-press day:
