ARTS-X-PRESS

IN CELEBRATION OF
COLE CARSAN ST. CLAIR

A transformational experience...

arts-X-press is a summer arts immersion program where middle schoolers come together to explore the arts, be themselves and make lasting friendships. Attending arts-X-press is a rare privilege—just 100 students from throughout Southern California are selected each summer. **You have been nominated to apply for the chance to be part of this diverse community of artists and creative thinkers!**

During this five-day, residential program, students sleep overnight in the dorms and eat meals in the campus cafeteria at Concordia University Irvine. Our professional staff and enthusiastic counselors live on campus with the students, leading them in arts workshops in state-of-the-art arts spaces and in attending professional performances with a chance to check out what happens behind-the-scenes. Unlike many arts programs out there, at arts-X-press, everyone gets the opportunity to play music, sing, make art, act, dance and write throughout the course of the program – all in a supportive, non-competitive environment that values each student's individuality.

Cost: Financial aid is available to all students, based on need, and we are committed to making it possible for all accepted students to attend. The full tuition for arts-X-press is \$800, which covers all costs for the program including room, board and performance tickets. Applications for financial aid will be sent with acceptance letters. **NO student will ever be turned away from arts-X-press for financial reasons.**

How to apply: Applicants must currently be in **6th or 7th grade**. No previous arts training is necessary. You can go online to www.PacificSymphony.org/artsexpress and apply there, or download and fill out the application and return it to your teacher or the Symphony office by the deadline.

For more information on arts-X-press, visit our website at www.pacificsymphony.org/arts-x-press where you can apply, view a **video** about the program and find answers to **frequently asked questions**.

"This program is perfect for kids who want to express their talent and to connect with people who have passion for art. When I came to arts-X-press, I felt safe and connected to people...I felt like I belonged here."

COVID-19 Safety and Policies
