

June 1, 2026

Dear Pacific Symphony League Member,

Thanks so much for being a Pacific Symphony League member! It is time to renew your membership for the upcoming Season which starts on July 1, 2026. We're gratified to see such robust and attentive audiences and volunteers at Segerstrom Hall!

As we move into another new season for Pacific Symphony with our new Artistic and Musical Director, Alexander Shelley, firmly at the helm, Pacific Symphony is counting on your continued financial help and volunteer support to flourish in our role as a vibrant and important community organization.

**For the season 2025-2026, which we are just completing, League members volunteered over 5,848 hours for the Symphony! That is the equivalent of about \$244,154 worth of work!**

The League provides significant financial support through membership dues, donations, and through operating the Pacific Symphony Shop & online Pacific Symphony Store.

Part of the money raised by the League goes to the Pacific Symphony Youth Ensembles, including the Youth Orchestra, Santiago Strings, Youth Wind Ensemble, and a new group, the Pacific Symphony Youth Concert Band. Over 600 young musicians audition for these groups! Graduating Seniors go on to prestigious schools, such as the Julliard School, Stanford, Brown, Yale, the San Francisco Conservatory, UCLA, Berkley, and USC.

League funds also go toward Community Engagement Programs, such as Heartstrings, Family Musical Mornings, Class Act, arts X-press, Youth concerts, and Strings for Generations.

Your continued support helps the Pacific Symphony provide exceptional music, youth education programs and events to inspire and engage our Orange County community. Please consider upgrading your membership if you are able. It is tax-deductible! \*

Attached is an updated League Membership Application with the current membership rates and benefits. **Please submit your renewal application with payment by September 1, 2026.**

Once again, thanks for your loyal support of our Pacific Symphony, and we look forward to seeing you at League luncheons, events and Symphony performances!

Warm Regards,

Rosalinda Rea  
Membership Chair
