The Frieda Belinfante Class Act Program

MUSIC
CONNECTS
people

Pacific Symphony's flagship educational program, Class Act, brings the joy of classical music to dozens of Orange County schools every year!

Attend an exclusive Pacific Symphony Youth Concert with your students at Renee & Henry Segerstrom Concert Hall!

Host a Pacific Symphony musician at your school to teach lessons about our composer of the year!

Enjoy a free Family Night performance by Pacific Symphony musicians at your own school!

Participation in the Class Act program brings a Pacific Symphony musician to your school as a partner in music education. Enjoy lessons, performances, and curriculum based on our composer and theme of the year, all aligned with state and national standards. You'll also benefit from an increase in connections to your school community through workshops, volunteer opportunities, and partnering with Orange County's own Pacific Symphony.

Visit our website and discover how to become a Class Act school!
